Why use NIHCATS II?

This Contract:

- Is available to the NIH and other Federal
Agencies for service performed in the
United States and abroad.
- Was created as a streamlined mechanism
to acquire cost-effective services through
competition.
- Is the preferred alternative to HHS's
Strategic Sourcing vehicle for conference
support.
- Increases Department-wide efficiencies
and leverages spending.
- Eliminates the need to complete HHS's
required Conference Approval Request
Form.
- Promotes the small business goals set
forth by NIH and other Federal Agencies
- Presents the customer with control over
key aspects of the process.
